## **FYI Podcast: Showcasing Stories of Triumph**

**Monte Carlo** – National CORE is proud to introduce the FYI Podcast, a platform where stories of triumph take center stage, to the global audience at Sportel Monaco. Now in its second season and with over 7,000 subscribers and growing on YouTube, the FYI Podcast has quickly become a destination for anyone with an inspiring story to tell, transcending industries and backgrounds.

Hosted on YouTube at [Finding Your Inspiration](#), the FYI Podcast is built on the belief that everyone has a story worth sharing. Whether it's overcoming personal challenges, achieving success against the odds, or making a difference in the lives of others, the podcast provides a space for individuals from all walks of life to share their experiences. Each episode delves deeply into these stories, offering listeners inspiration, insight and a reminder that no matter where you come from, your story matters.

**"We're excited to bring the FYI Podcast to Sportel Monaco,"** said FYI Executive Producer Jill Van Balen, who is also the Senior Vice President of Marketing and Communications at National CORE. **"Our mission is to showcase the universal stories of perseverance and triumph that resonate with people from all walks of life. Whether you're an athlete, an entrepreneur or someone who has overcome great odds, we believe that everyone has a story that can inspire others."**

At Sportel Monaco, the FYI Podcast will continue its mission of uncovering and sharing powerful stories from a wide range of voices. Each episode invites listeners into authentic conversations that explore the resilience of the human spirit and the diverse paths to success. The podcast is not just about interviews – it's about creating a community where everyone's story can be heard and celebrated.

Attendees of Sportel Monaco are invited to visit the FYI Podcast booth to meet the hosts, participate in live recordings and discover the stories that are driving conversations across the world. The FYI Podcast is a celebration of the human experience, proving that inspiration is all around us, waiting to be shared.
